Story

*"THE STAFF HERE CLEARLY
TAKE PRIDE IN WHAT THEY
DO"*

A CHARMING PUB IN THE HEART OF VAUXHALL

Conceived in lockdown 2021, five friends with over 65 years of experience in some of London's best restaurants and bars, found themselves out of work or on furlough, as the pandemic hit. When they found The Jolly Gardeners they knew they had come across the perfect opportunity to open a pub together.

Their common goal was simple; to open an honest and welcoming public house, with food central to its ethos and offering; where they would all genuinely love to enjoy a pint together.

LEAD BY A TEAM OF HOSPITALITY PROFESSIONALS

The Jolly Gardeners teams collective experience includes the likes of Oblix, Polpo, Neptune, Big Easy, The Delaunay, Gauthier and Silo. Jonathan Kaye and the Blucert brothers (Dan and Nick) each hold an equally important role; front of house, kitchen and bar, respectively. These guys bring restaurant-quality service, premium food and eclectic drinks to the neighbourhood.

In the background working tirelessly to make sure everything is running smoothly, and upkeeping the beautiful Victorian building, are Surveyor, Rob Humphreys and Engineer, Ryan Vivian.
